## 1 Introduction

The Indigent Support Policy is a legal imperative, a tool designed to ensure that persons and households classified as indigent have access to basic services as defined in the Constitution of the Republic of South Africa, Act No 108 of 1996.

The policy is a result of continuous prevalence of indigence and poverty within communities. This policy therefore is a tool of intervention to alleviate the plight and to encourage indigent households to live within affordable consumption levels.

The provision of free basic social services by Local Government is part of the broader social agenda and anti-poverty strategy of the South African Government.

Government at all levels has a Constitutional obligation to take measures towards realization of the social and economic rights of all people as contained in the Bill of Rights. These rights include, *inter alia* health care, water, education, housing, food, social security and the environment.

Section 27 of the South African Constitution, 1996 (Act 108 of 1996) stipulates that:

**Everyone has the right to have access to –**

- Sufficient food and water; and
- Social security, including if they are unable to support themselves and their dependants, appropriate social assistance.

The State must take reasonable legislative and other measures, within its available resources, to achieve the progressive realization of these rights.

The Indigent Support Policy is aimed at ensuring that the State fulfils its constitutional obligation contained in the Bill of Rights. This policy must be read in conjunction with the Credit Control Policy of Makhuduthamaga Local Municipality and applicable legislative frameworks.

## 2 Preamble
