6. LEGAL IMPLICATIONS

This report is informed by the following legal instruments:

Section 217 (1) of the Constitution of Republic of South Africa 1996 inter alia provides that “When an Organ of State in the National, Provincial or Local sphere of government

contracts for goods or services, it must do so in accordance with a system which is fair, equitable, transparent, competitive and cost-effective.

In giving effect to the above Constitutional provision, Regulation 2 (3) of the Local Government: Municipal Finance Regulations inter alia provides that “No municipality or municipal entity may act otherwise than in accordance with its supply chain management policy when procuring goods or services, disposing of goods no longer needed.

The main objective of the provisions is to ensure that the resources of the municipality or municipal entity should be used effectively, efficiently and economically and compliance in order to improve accountability and transparency as well as to combat fraud.

The Supply Chain Management Policy as approved by the Council in terms of the requirements of section 111 of the MFMA requires that goods or services above a transaction value of R200 000 (VAT included) and long term contracts should be procured ONLY through the competitive bidding process and no requirement for goods or services above an estimated transaction value of R200 000 (VAT included) may deliberately be split into parts or items of lesser value merely for the sake of procuring the goods or services otherwise than through a competitive bidding process.

Regulation 6 (2)and (6) (3) of the Supply Chain Management Regulations provides that the Municipal Council and the Board of Directors of a Municipal entity must maintain oversight over the implementation of its supply chain management policy and in this regard the Accounting Officer in the case of the municipality must submit a report within 10 days of the end of each quarter on the implementation of the supply chain management policy to the Mayor and whenever there are serious and material problems in the implementation of the supply chain management policy , the Accounting Officer shall immediately submit a report to the municipal council .

Further it is a statutory requirement that these reports should be made public in accordance with section 21A of the Municipal System Act (i.e. displaying documents at municipality head and satellite offices, libraries, municipal website, local newspapers). This also applies to the report of the municipal entity.
