2. PURPOSE OF THIS AGREEMENT

The purpose of this Agreement is to –

- comply with the provisions of Section 57(1) (b), (4A) and (5) of the 2.1. Systems Act as well as the Contract of Employment entered into between the parties;
- specify objectives and targets defined and agreed with the Employee and to 2.2. communicate to the Employee the Employer's expectations of the Employee's performance and accountabilities in alignment with the Integrated Development Plan, Service Delivery Budget and Implementation Plan (SDBIP) and the budget of the municipality.
- 2.3. specify accountabilities as set out in the Performance Plan (Annexure A);
- monitor and measure performance against set targeted outputs; 2.4.
- use the Performance Agreement and Performance Plan as the basis 2.5. for assessing the suitability of the Employee for employment and/or to assess whether the Employee has met the performance expectations applicable to his job;
- appropriately reward the Employee in accordance with the Employer's 2.6. performance management policy in the event of outstanding performance; and
- give effect to the Employer's commitment to a performance-orientated 2.7. relationship with the Employee in attaining equitable and improved service delivery.

3. COMMENCEMENT AND DURATION

- Notwithstanding the date of signature hereto, this Amended Agreement will commence on the 01 July 2022 to 30 June 2023 where after a new Performance Agreement, Performance Plan and Personal Development Plan shall be concluded between the parties for the next financial year or any portion thereof. This performance agreement will also serve as part of the probation assessment.
- This Agreement will terminate on the termination of the Employee's 3.2. contract of employment for any reason.
- at any stage during the validity of this Agreement the work environment alters to the extent that the contents of this Agreement are no longer Page 3 of 15 3.3.

appropriate, the contents must by mutual agreement between the parties, immediately be revised.

4. PERFORMANCE OBJECTIVES

- 4.1. The Performance Plan (Annexure A) sets out
 - a) the performance objectives and targets that must be met by the Employee; and
 - b) the time frames within which those performance objectives and targets must be met.
- 4.2. The performance objectives and targets reflected in **Annexure A** are set by the Employer in consultation with the Employee and based on the Integrated Development Plan, Budget and Service Delivery, Budget and Implementation Plan of the Employer, and shall include key objectives; key performance indicators; target dates and weightings.
- 4.3. The key objectives describe the main tasks that need to be done. The key performance indicators provide the details of the evidence that must be provided to show that a key objective has been achieved. The target dates describe the timeframe in which the work must be achieved. The weightings show the relative importance of the key objectives to each other.
- 4.4. The Employee's performance will in addition, be measured in terms of contributions to the goals and strategies set out in the Employer's Integrated Development Plan.

5. PERFORMANCE MANAGEMENT SYSTEM

- 5.1. The Employee agrees to participate in the performance management system that the Employer adopts or introduces for the municipality.
- 5.2. The Employee accepts that the purpose of the performance management system will be to provide a comprehensive system with specific performance standards to assist the Employer, management and municipal staff to perform to the standards required.
- 5.3. The Employer will consult the Employee about the specific performance standards that will be included in the performance management system as applicable to the Employee.
- 5.4. The employee undertakes to actively focus towards the promotion and implementation of the Key Performance Areas (KPAs) (including special projects relevant to the employee's responsibilities) within the local government framework.
- 5.5. The criteria upon which the performance of the employee must be assessed consist of two components, both of which must be contained in the

Page 4 of 15 CVM

performance agreement. The employee must be assessed against both components, with a weighting of 80:20 allocated to the Key Performance Areas (KPAs) and the Core Competency Requirements (CCRs), respectively. Each area of assessment will be weighted and will contribute a specific part to the total score. KPAs covering the main areas of work will account for 80% and CCRs will account for 20% of the final assessment.

5.6. The employee's assessment will be based on his or her performance in terms of the outputs/outcomes (performance indicators) identified as per the performance plan which are linked to the KPA's, which constitute 80% of the overall assessment result as per the weightings agreed to between the employer and employee.

7. PERFORMANCE ASSESSMENT

- The Performance Plan (Annexure A) to this Agreement sets out 7.1.
- 7.1.1. The standards and procedures for evaluating the Employee's performance; and
- 7.1.2. The intervals for the evaluation of the Employee's performance;
- Despite the establishment of agreed intervals for evaluation, the Employer 7.2. may in addition review the Employee's performance at any stage while the contract of employment remains in force;
- Personal growth and development needs identified during any performance 7.3. review discussion must be documented in a Personal Development Plan as well as the actions agreed to and implementation must take place within set time frames;
- The Employee's performance will be measured in terms of contributions to 7.4. the strategic objectives and strategies set out in the Employer's IDP.
- 7.5. The Annual performance appraisal will involve:
- 7.5.1. Assessment of the achievement of results as outlined in the Performance Plan
 - a) Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad-hoc tasks that had to be performed under the KPA
 - b) Values are supplied for KPI's and Activities under each KPA as part of the Institutional Assessment. Based on the Target for an activity or KPI, over or under performance are calculated and converted to the 1-5-point scale automatically. These scores are carried over to the applicable employee's performance plan. During assessment, the employee has a chance to submit evidence of performance for appropriate rating
 - c) The assessment of the performance of the Employee is therefore based on the following rating scale for KPIs and subsequent Leading Page 7 of 15 Con Competencies and Core Competencies:

Level	Rating	Terminology	Description
	12345		TO DESCRIPTION OF THE SECOND PROPERTY OF THE P
5		Outstanding Performance	Performance far exceeds the standard expected of an employee at this level. The appraisal indicates that the Employee has achieved above fully effective results against all performance criteria and indicators as specified in the PA and Performance Plan and maintained this in all areas of responsibility throughout the year
4		Performance Significantly Above Expectations	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the Employee has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieved al others throughout the year
3		Fully Effective	Performance fully meets the standards expected in all areas of the job. The appraisal indicates that the Employee has fully achieved effective results against all significant performance criteria and indicators as specified in the Performance Agreements and Performance Plan.
2		Not Fully Effective	Performance is below the standard required for the job in key areas. Performance meets some of the standards expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against more than half the key performances criteria and indicators as specified in the Performance Agreements and Performance Plan.
1		Unacceptable Performance	Performance does not meet the standard expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against almost all of the performance criteria and indicators as specified in the Performance Agreements and Performance Plan. The employee has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job despite management efforts to encourage improvement.

- d) The Employee will submit her self-evaluation to the Employer prior to the formal assessment with the Panel; and
- e) An overall score will be calculated based on the total of the individual scores calculated above.
- 7.5.2. Assessment of the Leading Competencies and Core Competencies:

Page 8 of 15 Cm WR

- a) There is no hierarchical connotation to the structure and all competencies are essential to the role of a senior manager to influence high performance.
- b) All competencies must therefore be considered as measurable and critical in assessing the level of a senior manager's performance.
- c) The competency framework is underscored by four (4) achievement levels that act as benchmark and minimum requirements for other human capital interventions, which are, recruitment and selection, learning and development, succession and planning, and promotion.

7.5.3. Achievement Levels

- 7.5.3.1. The achievement levels indicated in the table below serves as a benchmark for the appointments, succession planning and development interventions.
- 7.5.3.2. Individuals falling within the Basic range are deemed unsuitable for the role of senior manager, and caution should be applied in promoting and appointing such persons.
- 7.5.3.3. Individuals that operate in the Superior range are deemed highly competent and demonstrate an exceptional level of practical knowledge, attitude and quality. These individuals should be considered for higher positions, and should be earmarked for leadership programs and succession planning.

Achievement Levels	Description
Basic 1	Applies basic concepts, methods, and understanding of local government operations,
	but requires supervision and development intervention
Competent 2	Develops and applies more progressive concepts, methods and understanding.
•	Plans and guides the work of others and executes progressive analyses
Advanced 3	Develops and applies complex concepts, methods and understanding.
	Effectively directs and leads group and executes in-depth analyses
Superior 4	Has a comprehensive understanding of local government operations, critical in shaping
•	strategic direction and change, develops and applies comprehensive concepts and
	methods.
