

			BTO about the method of payment for villages piloted from 2020
--	--	--	--

In conclusion, we will always be appreciative to our residents who have always shown commitment to their own municipality. On behalf of the administration of the Municipality, we wish to express our profound gratitude to the political leadership provided by Her worship, our Mayor and council. Without their support, leadership and oversight, very little would have been achieved during the period under review. Our staff continue to play an important role in ensuring that service delivery is accelerated as our people demand that we expeditiously discharge our mandate. We shall continue accelerating the delivery of services through service delivery innovations.
