**AGENDA ITEM: SC/10.1/03/2019: MPAC OVERSIGHT ON ANNUAL REPORT**

**RESOLUTION No.103 OF 2018/2019 FINANCIAL YEAR**

**RESOLUTION ON MPAC OVERSIGHT ON ANNUAL REPORT**

**NOTING THAT:**

The Oversight Report is the final major step in the annual reporting process of a municipality. Section 129 of the Municipal Finance Management Act requires the council to consider the annual report of its municipality and to adopt an "Oversight Report" containing the council's comments on the annual report.

The 2017/2018 Annual Report was tabled to the Ordinary Council on the 29<sup>th</sup> January 2019 by the Accounting Officer and the Mayor as per MFMA section 127 (2), and that is part of the process for discharging accountability by the executive and administration for their performance in achieving objectives and goals set by the municipality in the 2017/2018 financial year. The Oversight Report follows consideration and consultation on the Annual Report and is considered to be a report of the municipal council to the community disclosing the level of success or otherwise, obtained with meeting the priority needs and stated desires of the community as contained in the IDP.

The purpose of the report is to:

- Provide a record of the activities of the municipality.
- Provide report on performance in service delivery and against the budget.
- Provide information to support the revenue and expenditure decisions made.
- Promote accountability to local community for decision made.

Section 121(3) and (4) of the MFMA sets out the framework relating to the content of the annual report for both municipalities and entities. These include:

- The annual financial statements of the municipality and consolidated annual financial statements as submitted to the Auditor General for audit.
- The audit report of the Auditor General in terms of both sections 126(3) of the MFMA and section 45(b) of the MSA
- Municipal annual performance report as per section 46 of the MSA
- Assessment of any arrears on municipal taxes and service charges
- Assessment of municipality's performance against measurable performance objectives for revenue collection from each revenue source and for each vote in the municipality's approved budget
